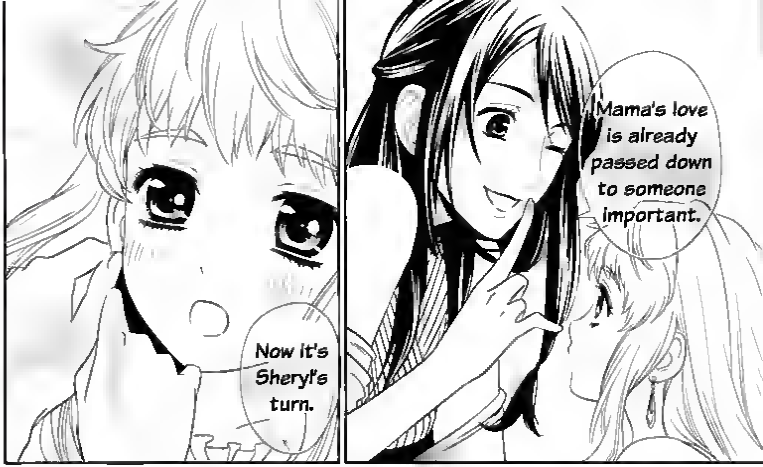
Happy birthday Sheryl!

Here's your birthday present.
It's the earrings Mama always wear!
Is it really okay?!
Of course, let me help you put them on.
Grandma Mao gave this to me when I was about Shirley's age.
It's a Nome family's protective charm!
Cherm?
It's a gem that transfers memories.
Such an important thing!
Is it really okay?
Ha ha ha!!



Now it's Sheryl's turn.
Mama's love is already passed down to someone important.

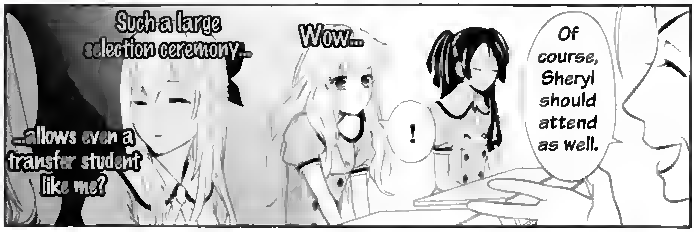
I look forward to studying with you...
Then your seat...
I am Sheryl Nome.
Um...
Uh...
Now I have something important to anno-unce!
Okay...
Will be next to Lilith's.

So everybody please sign up for
The audition next month!
I'm sure everybody knows that the Galaxy Government sponsored Musical,
"Galaxy's Song Princess Akemi" will be performed next year!
It's such an opportunity!
It's Akemi this year!



Such a large selection ceremony...
...allows even a transfer student like me?
Wow...
!
Of course, Sheryl should attend as well.

Lillth!
I saw the new makeup commercial!
Lillth, you are so pretty!
The song was also really nice!
Did you write it yourself?
Something like that...

It feels a little scary...

I've seen her on T.V. before!
Never thought that she was even more beautiful in real life...
Ah... Right!
That would be so good!
Ah! I hope you get the main female lead for that commercial, Lilith...
So disgusting.
If I remember correctly, she...
It seems like there's a dirty person person looking over here!
Annoying.
.....
Sheryl Nome...
.....
Can't be helped, she's a 'homeless' kid.

You're right.

She completely captured Akemi's romantic emotions!
I love you so.....
So this is Lilith's song!

Do you... really think so...?
Eh?
Wait, what's wrong?
No-thing. I'm leaving
Her voice...
Right now, even Rosa and Maria who were so ruthlessly laughing at her...
... silently listened until the very end.
It has the power to capture one's heart.
But that girl, she...

She just captured my heart immediately.
True.

Amagi Lilith.
Amagi Yan Juro's daughter.
Oh my, oh my, I'm terribly sorry.
Where is my seat?
I kept it for you today.
Then let's go.
Ye.. yes!

Today's show is "Dying for Sonezeki".
It's about a traveling girl who got betrayed by her best friend dying with her lover who has nothing left.
The performer is one of Saotome's younger generations. Watch carefully.

Did Lilith...?

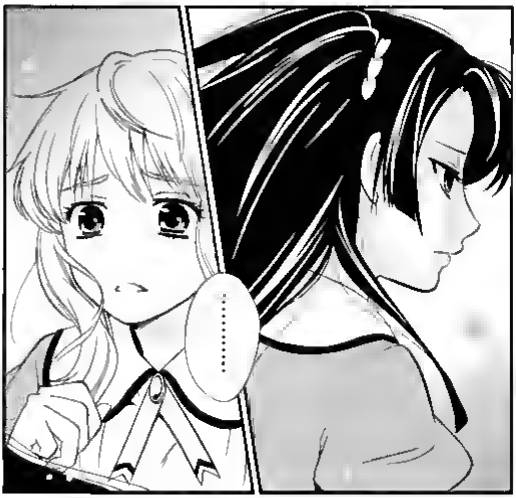
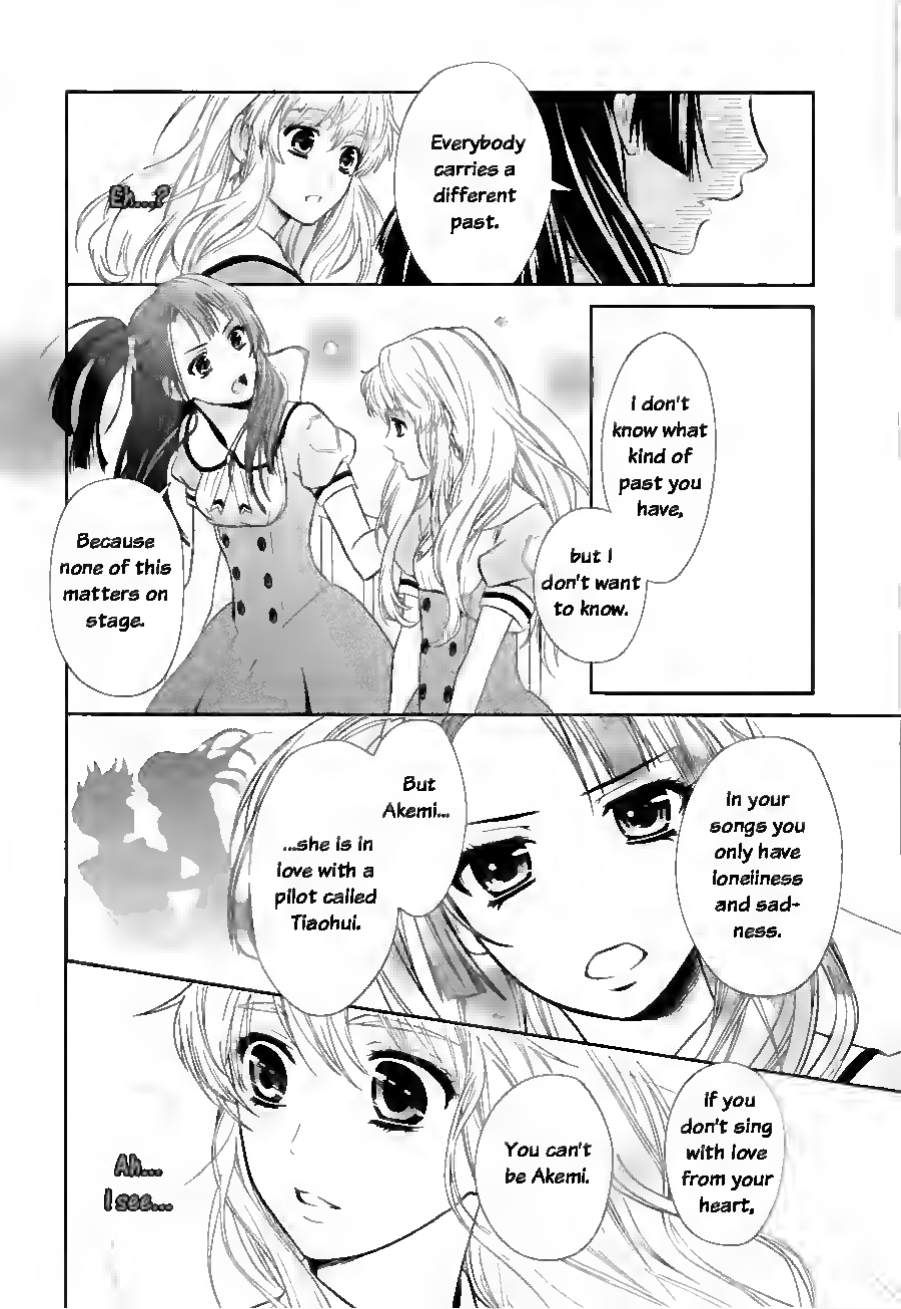
I sew your commercial.
How can you call yourself an Amagi with that kind of a song and acting akills_?
You're a disgrace to the Amagi family!
And you still dare to come here!
Did you come here to see Saotome's boy?
.....
Sheesh_ You really fell in love with the Amagi family's enemy.
Seems like you really are completely rotten.
HE HE HE

Won't you mind your behavior in the public?
What would people think if they see you, the 15th generation of the Amagi family, yelling at the daughter...
... you abandoned?



EDITOR : CAROLS

My father is, as you saw, a very stubborn man
He said "The Kabuki does not need women".
And sent me to Erato when I was still really young.
My mom died not long after I was born.
He left the hope of exceeding the Saotome family...
To my brother whom my father's second wife gave birth to.
He never has said anything...
...a father should say to his daughter.
I had no idea...
Even though Rosa is a noble, because her father had a large debt, she was sent to Erato.
Even though Marie is from a famous and wealthy family,
She was sent here because of her parents' divorce.
Because this school is sponsored by the government, it gives a large amount of money to students with talent.
Actually, most students at Erato had similar experiences.



Eh...?
Everybody carries a different past.
I don't know what kind of past you have,
but I don't want to know.
Because none of this matters on stage.
in your songs you only have loneliness and sadness.
But Akemi...
...she is in love with a pilot called Tiaohui.
if you don't sing with love from your heart,
You can't be Akemi.
Ah... I see...

Lilith....
.....
Thank you Lilith.
...brought me to me this.
But... why...?
I want to...
Compete with you fairly.
I entered this world a year before you did.
My hearing ability is enhanced
I have the advantage in this area.

I'm not going to thank such a rude man!
No need.
I just thought I wouldn't sleep well if you were crushed by Vajra.
But ...

Can you stand?
SHERYL!
PAT
You'll die if you always try such dangerous things.
SHERYL, YOU OKAY?!
Bye.
WHA...
WHAT!!

WHO DOES HE THINK HE IS!!
RUB
Even though the stadium was holding Sheryl Nome's concert, no one was hurt
The Vajra attacking the Star stadium was successfully defeated.
At 6 o'clock, under the total army of the New Earth's control ...
IT'S MAMA'S REMNANT!
THE EARRING!
NOT HERE...
NOT HERE!

This is the first time... something like this has happened...
Infuriating...!

Could it be...

What ?
GRACE...!

I need your help with something...

Um...
The Vajra's attack a few days ago...

SHERYL NOME
Made returning to the Galaxy Fleet rather difficult...
I'm Sheryl Nome!
Nice to meet you!
Which is why I will be staying at the Aerospace Division for a while!

Is very rare!
SHERYL!!
THE ACTUAL PERSON!!?
YOU REALLY ARE SHERYL!!
You sang really well.
REA... REALLY!!?
Actually, I'm having my first audition this Sunday...
But I'm not really confident...
But now that I heard Miss Sheryl say that, I feel spirited again!
Hey! Did you hear that...?
Alto!

Ah...
Ranka, that's great!

That girl...
Ah....
Why....
Is he wearing such a gentle expression...
From Akira...
"Thank you so much for saving me"
HEARTACHE
"Have you seen my earring? When you saved me, I don't know where I dropped it"
"Because I've been looking for you"
Anyways, what are you doing here?
Ah...

I got lost when I was looking around the school.
Then her voice led me here.
Um...
I see.
If you don't mind, can I show you around ...?!

Thanks...
Miss Sheryl's songs...
Give people this feeling...
Of hope.

This feels like a dream
I...
Always wanted to become a singer because of Sheryl.

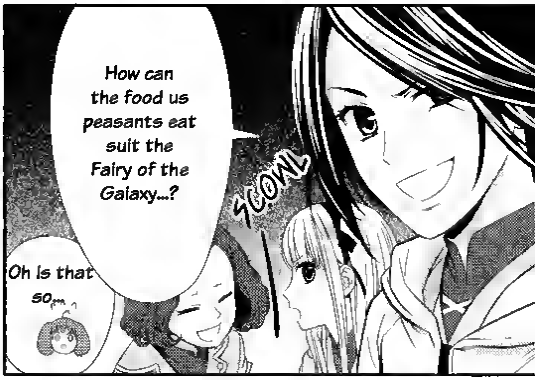
I want to become a singer that can touch other people's hearts like Miss Sheryl...
I want people who hear my songs to feel like they're blessed.

I'm trying so hard to sing... And fighting on...
The only reason...
Is to maintain the spot as the Universe's
Who I was singing for...
Ranka!
thought about...
You're still at school?
You didn't come to class today!
Nana-chan!
I'm showing Sheryl around campus!
Hello ...
Hello ...
Smile

Oh Ranka!
Um...
If it's okay, can Miss Sheryl come...?

Really?
Ranka!
Everybody's going to the new snack shop...
If you don't mind...

Don't mind me!
Go ahead!



How can the food us peasants eat suit the Fairy of the Galaxy...?
Oh is that so...
NOOK

Bye, Ranka -san!
Let's go, Nanase!
I see ...

I told you...

Um ....
I was the one who said I would show Sheryl around campus...
So I'll go next time... okay?

But then... Why did she join the Aerospace Division instead of the Fine Arts Division...?!
Maybe because there are more boys there...?
KYA-HAHAHA
Yeah!
I can't believe she's from the Galaxy's Fleet...
So she wouldn't like the food we like...
Her body hasn't been modified, right?
U-um ...
Please don't mind them...
.....
He he he he ...
They are all very competitive girls...
The girls from the Fine Arts Division are always like that towards everybody. ...

Ranka, I've...
Always been fighting an uphill battle...
I don't mind at all!
It gets far worse when you're disliked by other singers ....
And I won't be fighting alone afterwards!
And I will be more glamorous!
.....
SHERYL IS SO COOL!
I WILL ALSO TRY MY BEST AT THE AUDITION ON SUNDAY!
Mm... I will go cheer you on!
But there will be plenty of your friends going to cheer you on...
Especially that girl called Nanase.
You guys seem to be really close.

She's just that kind of girl, I guess... Everyone will be her friend...
That girl...
Has something I don't have...
Are all rejuvenated by her...

Let's... Let's go!
This school is really big!
Hmmm...
Living things...

Sorry! I forgot.
Because someone gave me too full of a schedule...
You're going to be a judge at "Misa Pioneer Fleet" today!
Gosh! Didn't I say it before?
Sheesh ...
Here, this is the list of contestants.
Look through it carefully!
Hands
Yes!
Ah...
Speaking of which, I think Ranka had said...
"I will also try my best at the audition on Sunday!"
Even though she'd said that...
It couldn't be that coincidental, right...

I can't believe it myself...
Don't you think it's weird a girl like her wasn't cut?!
Hey...
"MISS PIONEER FLEET" DRESSING ROOM
It seems she's the best candidste for the Most Tsiented Awsrd.
REALLY?!
These people are all so beautiful...
Maybe... I shouldn't have come...
I asked a staff member...
Why such a plain little child can pass the first round ...
He!
Yeah... and then?!
Hmph...

A girl like her, huh...

Let the annual "Miss Pioneer Fleet" competition begin!
Contestants, please come up and perform in the order of your assigned number!

Ah...! Everyone's singing skills are all amazing!
They're just like puppets...
Their souls aren't in their lyrics or their voices...

LIGHTS
Next up is contestant number 7!
Miss Ranka Lee!
Let me make sure of it again....
Of your talent...
The song is the legendary Song Princess Minmei's hit single...
"My Boyfriend is an Astro-naut"!

You...
Don't have what it takes to be a professional singer.
Ranka...
How can you lose your way because of something like this ...?
OH
Miss Sheryl ...

You're the kind of girl who will back down so easily
A real singer...
Can still sing without an accompanist and even without a microphone, right?
Let me see it...!
Now...
Your...

True strength!!
KEEP SINGING!!!

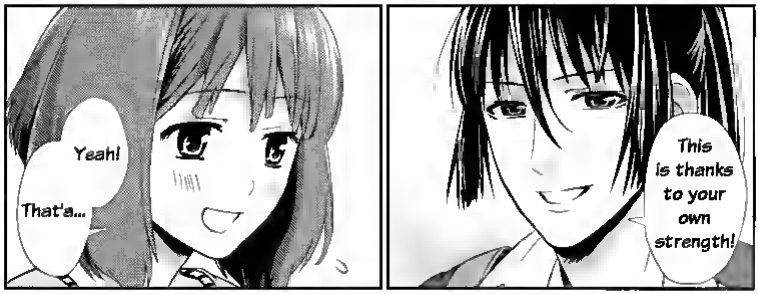
This is the voice of an angel !
This makes me doubtful...

With such a fearsome talent!
That girl is the real deal...

Who do you think gave you your job?
S... sorry!!
You're useless!
.....
So it'll hurt her and keep her from standing on stage!
That... that's too...
At least make the speaker fall down!
Can you explain it to me?
With more details...?
caught...
How noisy...!
!!

You caught the people who sabotaged the competition...
The staff told me that...
Thanks so much!
Alto!



Yeah!
That's...
This is thanks to your own strength!

Wait a second, Miss Sheryl!

Um...
.....
Congratulations, Ranka!
I heard you got the Judges' Special Award ....
At that time...
I could only sing because of what you said!
Said what's on my mind...
I just...
It's... all thanks to...

THANK YOU SO MUCH!
Miss Sheryl ...
At that time...

I was shaking...
Why did I give her this chance...?
Because of her singing.
She would obviously become my greatest opponent.
No...
Maybe she's the "prodigy" that will surpass me!
You look happy, Sheryl.
Right?
heh...

Why would I be so anxious...
Yet I am equally excited!
This is the start of a new legend!
After that...
making sure to always win as a singer...
I was once as this child...
The deeper meaning!
he he he... I understand... them... yes.
